SEMINOLE HIGH SCHOOL

COMPLETED JANUARY 1st, 1927

THE students of Seminole High are proud of their new school which, in addition to the regular curriculum, has three fully equipped departments; namely, Commercial, Home Economics, and Agriculture. The Physics and Chemistry laboratories add much to the equipment of our new building. We have twenty-one classrooms, four study halls, a nurse's room, and a well-equipped library to which many valuable books have been donated by various local organizations.

Our auditorium which is one of the largest and most beautiful in the state, will seat over one thousand people. The stage is unusually large and may be converted into a gymnasium which has an excellent basketball court.

The Cafeteria, under the very capable management of the Parent-Teachers' Association, serves delicious, well-balanced meals for the students.

DICK MAXWELL JR. *Vice-Pres.*

APPRECIATION

Graduation Time. At last we have reached the unattainable moment of our school career—graduation. It is with a feeling of triumph that we realize our goal is won and the labor of the past four years has not been in vain. Many times the road has been hard and although some of our classmates have fallen by the wayside, we have continued to hold up the standard of the Class of '28 and dear old Seminole High.

We feel very proud to be the initial class to graduate from this new High school building, for although the Class of '27 graduated here, we are the first to spend our entire senior year in this building.

However, into the hearts of every one of us creeps a feeling of regret as we realize that soon we must sever, in so far as our school life is concerned, many dear friendships which we have formed and cherished here.

To the members of the Faculty, we express our deep appreciation for their interest and guidance during these last four years. Without their untiring efforts we would never have reached our goal. They have done their best to prepare us for our place in life and may we show our deep appreciation by the way we meet difficulties which we shall encounter.

The path of life is before us and although we may fall before temptations, may we arise stronger and better for the lessons we have learned here, and continue to move forward toward the reward that awaits us in the end—Comrades achieve!

Saved by the Bell

A Senior on an April day
 Into the English room did stray,
 His lessons not at all he knew,
 And he was feeling rather blue.
 Exams were getting very near,
 And his lack of knowledge he did fear;
 He tried to dodge Mrs. Farnworth's eye,
 But she spied him by and by.
 The fateful words fell on his ear
 And he knew his time was near,
 He rose, his heart was filled with dread,
 There was no idea in his head,
 Then like sweet music to his ear,
 He heard the bell ring loud and clear.
 "Saved!" he cried, and tore his hair,
 And then dashed wildly down the stairs.
 "Never again shall this thing be,
 I'll learn my lesson now," said he.

—Dick Maxwell '28.

JUNIOR CLASS HISTORY

September, nineteen twenty-five;
See, the school appears alive!
Who are these so bright and fine?
Why! The class of twenty-nine!
Our President won the Mobley Prize,
A miracle in Freshman eyes.

Fall of nineteen twenty-six;
Hallowe'en cup won by our tricks;
Our efforts made us runner-up
On the Kiwanis Athletic cup.
Sure, the school has won new merit,
Since this great class came to share it.

Juniors, nineteen twenty-seven;
Indeed a near approach to heaven;

We tied the seniors in a football race,
And in soccer won first place;
We were not surprised at all
When our girls took first place in basketball;
When we placed four on the all-school team,
You should have seen Miss Howard beam.

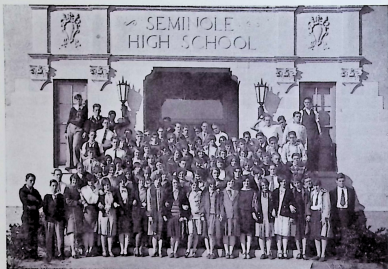

Our triumphs are many, the year not old,
And further honors may yet be told.
Our triumphs are many, our failures few,
We are loyal to each other in all we do.
Our hearts are happy, our faces shine
As we look toward nineteen twenty-nine.

THE DAY BEFORE EXAMS

+ + +

'Twas the day before exams,
And in every class,
Not a pupil was idle,
They all worked to pass.

Jim Spencer was striving
Some Latin to down;
B. Fox struggled slightly
His ignorance to drown.

Claude Herndon was actually
Writing a test;
John Ed. had a pencil
Along with the rest.

Fred Williams abandoned
His role of a sheik;
Rose Hurt neglected
To ask, "May I speak?"

George Mitchell had suddenly
Opened some books,
Tho' if truth be told, it was
Only for looks.

Most strangely industrious,
Elizabeth Rines;
Even Slade Fisher decided
To try a few times.

And Eloise and R. E.
Paused not for a chat;
The halls were abandoned
By senior and rat.

Even Lofton decided
Some knowledge to seek;
Dick had handed in shorthand
Three days in the week.

Bob Moye didn't study,
But sat next to Pearle
To catch a few brain waves
From such a bright girl.

Dan Hansell neglected
His editorial pose;
Bob Yancey in science
Omitted his doze.

Everyone earnestly
Yearned to be wise;
And all stuffed in knowledge
Right up to the eyes.

And good resolutions
Were made by the score,
That ignorance is not bliss
They believed more and more.

BOYS' ATHLETIC ASSOCIATION

OFFICERS OF 1927-28

BERNARD SCHIRARD
Vice-President

J. E. HIGGINS
President

BOB YANCEY
Secretary-Treasurer

The Boys' Athletic Association of Seminole High School has for its purpose the developing of the boys' athletics. This organization was begun in 1915, and has become a self-supporting school activity. It endeavors to persuade more boys to participate in school athletics each year.

The Association sponsors the following sports for boys: football, soccer, basketball, baseball, swimming, life-saving and tennis.

Football Schedule and Resume Season 1927-28

OCTOBER 8

Palatka, 9 Sanford, 19

As we all remember, Palatka gave us a good licking last year. But oh, revenge was sweet! The boys were a bit unsteady at first but came out on top in the end.

OCTOBER 15

Orlando, 19 Sanford, 12

Orlando is Sanford's long-time rival. The boys were high-strung that day and determined to win. Although Sanford out-fought and out-played Orlando, the breaks were against us, even in the opinion of the Orlando sport writers, and we lost in the last minutes of the game.

OCTOBER 22

Mt. Verde, 0 Sanford, 24

Sanford had an easy victory that day, although the field was freshly ploughed and dragged. The boys were caked with clay and dust. The referee had to call time-out himself. The game could hardly be followed because the dust was so thick. Just ask the boys about it.

OCTOBER 29

St. Cloud, 0 Sanford, 20

The score at the end of the half was only 6-0 but Coach must have told the boys something that helped them because they came back and exhibited great fighting ability against the St. Cloud team.

NOVEMBER 5

Winter Garden, 0 Sanford 63

Sanford just walked away with Winter Garden that day. Everybody that had been coming to practice regularly was put in that game and the fun was shared by all.

NOVEMBER 11

Crawford-Hulvey, 0 Sanford 12

Sanford did not know what to expect of her opponents that day because they were called an academy instead of a high school. At the half the score was 0-0. Again Coach's keen football ability put something into the boys' heads at the half, because the game ended victoriously.

NOVEMBER 19

Kissimmee, 6 Sanford 36

Sanford had it in for Kissimmee this year and they sure rubbed it in. Kissimmee happened to get away with a long run and then put the ball across the line. But they won't ever forget the licking they got on November 19 from Sanford.

NOVEMBER 24

Leesburg, 26 Sanford, 13

Sanford took a long time to recover from the defeat, because the boys fought so hard in that game. Leesburg made three touchdowns in the first eight minutes. Look how the game turned out; not so bad after all.

FOOTBALL SQUAD

The Squad this year is the best S. H. S. has had for six years. The boys Took much interest in the game, the team, and mostly Coach Welchel. They are left to right, starting at top row:

L. P. HAGAN	DAN HANSELL	HENRY RUSSELL
CLIFFORD RUSSELL	JESSE NEELY	HARRY HALL
FULTON HESTER	FRED STANLEY	"RED" BROOKS
TAT TATTERSON	BOB YANCEY	TED STAMP
DICK MAXWELL	LOFTON EDINFIELD	GEORGE STONOFF
JIM STONOFF	ROY SYMMES	SHERWOOD HARVARD
GORDON WALKER	PAT MILLER	JIM HIGGINS
JOHN HIGGINS	JEAN ADAMS	HAROLD FISCHER
COACH WELCHEL	H. C. WATERS	STEVEN SHINHOLSER
BILLY BALL	DICK SNEED	JACK PETERS

INDIVIDUAL WRITE-UPS

FOOTBALL

COACH WELCHEL

Coach was liked by all the boys. At first things looked gloomy, but he switched things around so that he finally obtained proper material. He put out a fighting team as we all know. So let's take our hats off to Coach.

"MOBY" DICK MAXWELL

Dick was our worthy Captain, and half-back this year. Dick was liked by all the boys and played like a veteran. He will be missed next year, for he graduates this term.

"SHOOKIT" STOINOFF

Jim, as we all know, was our "stellar" full-back. He was switched from end to full-back and certainly did himself credit. He will be greatly missed next year, for he is one of our graduates.

FOOTBALL

"TAT" TATTERSON

Tat was a new boy in school this year. He proved himself to be worthy of his position by his consistent playing. Tatterson will be a great asset to the team next year because he is a Junior.

L. P. HAGAN

Although this was L. P.'s first year he showed great ability and his speed was a problem that puzzled opponents. He was doing fine until an injury made it impossible for him to finish the season.

HIGGINS

Johnny—the boy who directed the team at quarter. In more than one instance he pulled the team through to victory by his generalship. He will be missed next year, for he is among the graduates this year.

FOOTBALL

WALKER

Walker played half this year and did full justice. Although he was handicapped by a bad side, Walker was fast and shifty on the field. He will be missed next year because he was forced to leave school.

STANLEY

This was Stanley's first year on the team. He played left end with great skill because of his defensive game. Stanley also will be missed next year for he is one of our graduates.

MILLER

Miller played a great game in the forward defense this year; he could always be depended upon to do his bit in a pinch. He will be with us next year, much to the benefit of the team.

FOOTBALL

SYMMS

Only a rat but oh, my goodness! Not a few times did he break through and throw the opposing backs for a loss. Roy will be a great help to the team in years to come.

"RARE" HANSEL

"Rare" was S. H. S.'s first linesman and caused grief to more than one opposing linesman. "Rare's" ability at center proved that he will be a great help to the team next year.

BALL

The big little boy, who played for the first time, held down his position like a veteran. He is only a rat and a great factor in Coach Welchel's eye next year.

FOOTBALL

YANCEY

The big boy tackle. Yancey was feared by all opponents because of his ability to make an opening and smash a whole side of the line at one time. Yancey is only a Sophomore and is another factor in Coach's eye in the years to come.

EDENFIELD

The little veteran who played right end. He proved his ability as a football man. Edenfield was capable of receiving passes and holding his ground. He was chosen as next year's captain.

NEELY

Neely was dependable when called upon to fill the position of either end. His ability to receive a pass deserves notice. Remember that Mt. Verde game, Neely?

FOOTBALL

ADAMS

Adams was a dependable line man who played his position well. He fought a stubborn game. Adams will be missed next year for he is a graduate.

HIGHLEYMAN

Highleyman, although unable to play, was a credit to the team because of the advertising and loyal support he gave to the team as advertising manager. He will be missed next year for he is a graduate.

BOYS' BASKETBALL—INDIVIDUAL WRITE-UPS

MAXWELL

"Moby" played the center position this year with credit. He was able to get the tip-off in every game this year, much to our credit. He was selected as one of the All-District first team. Dick will be missed next year for he is one of our graduates.

ROY MAXWELL
CENTER

RUSSELL

"Tootsie" played guard with ability and pep. He had the spirit to fight when the prospects looked black. Tootsie will leave us this year.

TOOTSIE RUSSELL
GUARD

PETERS

Jack plays the forward well and when called on he is a good reliable man. He can pass and shoot well enough to be credited.

(Q)?!—PETERS
FORWARD

SCHIRARD

"Pete" played forward. On account of his size he was used in but few games before the tournament but when he was put in as a sub, he bewildered the opposition by his speed and ability.

PETE SCHIRARD
FORWARD

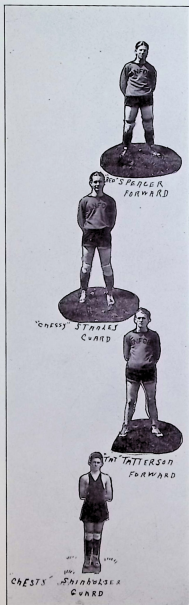

BOYS' BASKETBALL

STANLEY

"Chessy" played guard, no easy position, but he held it down. Many were the times when he messed up the opponents in a rush down the floor. "Chessy" graduates this term and will be missed next year.

SHINHOLSER

Steve is the boy who has the bright red jersey. He can handle the ball when the time comes to handle it. He also has stopped many a rush along with "Chessy". Steve graduates this year.

SPENCER

Jim played the forward position this year with great skill. He was important for his skillful passing and goal-shooting, which won him a place on All-District first team.

TATTERSON

"Tat", our new boy, played forward and was very effective in shooting. He will be with us next year.

BOYS' BASKETBALL

COACH RAWSON

Coach, as we all know, played for the University of Georgia and did well. He is a prince of a fellow and liked by all the boys. He was a proud man when S. H. S. won second place in the District Tournament, and earned the opportunity to play in the State Tournament at Gainesville.

COACH ISBILL

Mr. Isbill is supervisor of all boys' athletics except football, and has given long hours and tireless energy to the development of clean sportsmanship in Seminole High. To his good management we owe much of our success.

HIGGINS

Higgins, our captain, was there with the pep when ever it was needed. He had fighting blood in him and ran our score up more than once when things looked bad. His generalship led the boys to the position of runner-up in the District Tournament.

+ + +

IDYL

Together they walk along the lane,
The sky was full of stars,
They reached the gate in silence,
He opened for her the bars.

She neither smiled nor thanked him,
In fact she knew not how;
For he was only a farmer lad,
And she was a Jersey cow.

H. G. Waters, Jr. '29

S. H. S. BASEBALL

Owing to the early date that "Sally" goes to press, we are unable to get the '28 baseball team picture, but have made it possible to give credit to our '27 team.

The Baseball team of '27 is worthy of this page. They won the majority of their games and they deserve attention this year. We have several of last year's players with us this term.

INTER-CLASS CHAMPIONS

TIED FOR FIRST PLACE

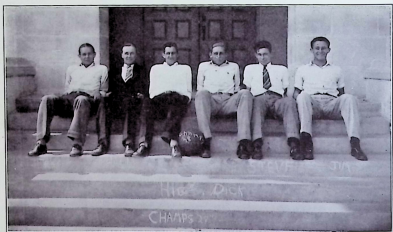

INTER-CLASS football caused much excitement on the grounds this year because of the equal chances of the teams. The afternoon the upper classes played, the field was wet and very sloppy. The Seniors scored 6 points; the Juniors, still fighting, also scored 6 points. The game ended in a tie, giving first place to both teams.

KIWANIS LOVING CUP

SOME years ago, the Kiwanis Club of Sanford, a civic organization which has often shown its interest in Sanford schools, gave a beautiful silver loving cup to Seminole High School.

This cup is awarded annually to the class making the highest number of points in inter-school athletics. It was won last year by the Class of '28. The names of the winners are engraved on the cup each year and there is much friendly rivalry among the classes as to which can keep it. Up to the present time, no class has won it for two years in succession. The cup is awarded at Commencement.

Girls' Student Assistants

PHYSICAL EDUCATION

The purpose of Physical Education is to develop boys and girls mentally and physically and to teach them to play the game of life squarely. It is impossible to have a well-rounded life without attention to physical fitness and betterment. A correlation between body and mind, and the value of the play element have been recognized by all authorities as necessary to good citizenship.

In order that every boy and girl may be given an opportunity to participate in his or her favorite sport, mass competition in various events is pursued during the year. In addition Physical Education is required of every student not excused by a physician.

This year we have carried out the following program:

A Regular Physical Education classes consisting of setting-up exercises, calisthenics, drill, folk-dancing, and games. Each student has two forty-five minute periods of Physical Education a week, the first time in the history of the school that regular "gym" classes have been held.

This year all classes in Physical Education have been taught by boys and girls known as student assistants. The director gives instructions to the assistants, who in turn, instruct their classes.

The following students have been assistants this year:

GIRLS:

Helen Watanen
Helen Marentette
Alice Vihlen
Maria Moye
Natalie Farnworth
Mary Helen Morse
Beatrice Howard
Margaret Wright

BOYS:

Stephen Shinholser
John Edward Higgins
Bernard Schirard
Richard Maxwell
Frederick Stanley
Robert Yancey

The students give their time and efforts to this work. They have helped the school through a trying financial period. The State School Law requires two periods of Physical Education a week for each pupil. Without the help of the student assistants, the school would have been compelled to employ a full time instructor in Physical Education. It can truthfully be said that these boys and girls have done their work most efficiently. The School Board, Faculty and pupils appreciate their efforts. They have been the director's "right hand man" at all times and without them she could not have accomplished this great project.

B. Sports, both inter-class, and inter-school, including Football, Soccer, Volley Ball, Basket Ball, Baseball, Swimming, Tennis and Golf.

Our New High School has an excellent gymnasium with dressing rooms and showers for both boys and girls.

In order to benefit the greatest number of pupils, stress has been laid upon inter-class games, the success of which has been made possible by the Inter-Class Athletic cup presented to the School by the Kiwanis Club.

The Girls' Athletic Association of Seminole High School fosters various branches of girls' athletics. The Association was organized in 1917, and since has improved and developed into a self-supporting school activity. Its aim is to interest every girl in the school in some form of athletics. ¶ The Association sponsors the following sports: Volley Ball, Basketball, Tennis, Track, Baseball, and Swimming.

There was a change in the program for Girls' Basketball this year. In 1927 at the Principals' Conference of the State Athletic Association, a recommendation was made that Inter-school Basketball for girls be abolished. This was favored by the Girls' Athletic Directors of the State and was finally adopted.

After this regulation had been made, in order that the girls might still have basketball games and continue to receive letters, our Coach devised a system of inter-class games. The winners received points on the Athletic Cup. Judges were selected from former

This year the championship was won by the Juniors, who put out a fighting team. The Freshmen surprised us all by their excellent teamwork, so unusual in a first-year class. Credit should be given all the classes for the cooperation and sportsmanship which made the season such a success. All in all, we have a fine team, and we are proud of every player on it.

Seminole High School Scene of Basketball Tournament for District 5

If any signs of school spirit were ever displayed in Seminole High School, it was during the District Basketball Tournament held here on March 2-3. Our High School was fortunate in having the tournament played here. This was due to our excellent Basketball court. But we were more than fortunate in having our team enter the finals of the contest. This was the result of the hard fighting and perseverance of our boys. Never had our team played harder, never had their shots been truer, never had their spirits been higher than in the first two games. Seminole quintet was the "dark horse" of the tournament.

In drawing for places, Seminole's quintet was matched against New Smyrna Cagers. S. H. S. "put the bug on them" in a slow but hard-fought game. This game was played during chapel period so that the entire school witnessed it. The auditorium fairly shook with cheers and songs as the students watched their team upset the "dope bucket" and win through to victory.

Our next game was with Ocoee, who had eliminated Montverde, and was considered one of the two strongest teams of the District. Again our boys "brought home the bacon" with a score of 25-22. An extra period of three minutes was necessary to break the tie of 22-22. This was accomplished by "Hig's" free shot and Peter's field goal. Sanford spectators went mad. This was the most exciting game of the tournament.

S. H. S. was next matched against Groveland, who had won from Eustis. This game, if won, would send our boys to Gainesville for the State Tournament. Groveland had a snappy team but they were out-classed. And Sanford was off to the finals and to Gainesville.

The final game brought us in conflict with Leesburg, "doped" to be the strongest team in the District. Sanford dropped the game to the Yellow Jackets at a score of 27-10. But Leesburg knew our boys were there, and it took their best to win.

After the game the winning teams were presented with beautiful Loving Cups, Leesburg winning the largest cup given by the Kiwanis Club. Sanford received a cup a size smaller donated by the Florida Power and Light Company; while a consolation cup of smaller design was presented DeLand as winner of the consolation games. This cup was given by the McLaulin Jewelry Company. An All-District Team was selected by the officials and coaches. Two of Seminole's men were chosen on this team; namely, Dick Maxwell and Jim Spencer.

Sanford's entrance into the finals qualified its team to compete in the State Tournament at Gainesville, a distinction Sanford had not achieved in six years.

To those who watched the tournament, certain incidents impressed themselves indelibly on their memories. Captain Higgins, "Hig", played the entire court pushing up the score with his long "easy" shots. Dick Maxwell, "Moby", strained every muscle to gain the "tip-off" in center, and succeeded admirably. He, too, raised the score with goals shot from the center of the court. And who can ever forget the basket made by "Chessy" Stanley in the Leesburg game when he shot from Leesburg's territory (at the instance of Leesburg) and never even touched the rings. Jim Spencer had his "Lucky Day" in the game with Groveland, for nothing but a "shooting streak" of luck could have made the goals he tossed in that game. Steve Shinholser guarded his end of the court to the extent that many fouls resulted from "hacking". But the "hacking" prevented his opponent making a number of goals. Jack Peters' field goal in the last three minutes of the extra period in the Sanford-Ocoee game assured us of victory.

These are merely a few of the big events that will be spoken of in suppressed tones of excitement whenever the Basketball Tournament of 1928 is mentioned. Hats off to Our Team!

BASKETBALL MEET SLATED TO OPEN AT LOCAL SCHOOL FRIDAY

Everything is in readiness for the district basketball tournament, which gets under way here tomorrow with 13 teams competing for the title of the fourth section and the right to represent this district in the state championship games to be staged later at Gainesville.

The tournament officially opens at 9 o'clock with play scheduled for the remainder of the day and on Saturday. Three games are billed for tomorrow morning, four in the afternoon and three Friday night. There will be three more games Saturday morning, two in the afternoon and the semi-finals and finals that night.

Referees for the game will be Mr. Cross of Rollins College, Mr. Thompson of Cherokee High School of Orlando and T. W. Isbill of Seminole High. The tournament is expected to attract a large gathering of basketball enthusiasts from Central Florida, being one of the biggest events on the sports calendar for this season.

The locals opened the tournament Friday morning with a win over New Smyrna, 13 to 4. In the afternoon they were pitted against the strong Ocoee team, which forced them to even honors for two periods, making it necessary to play an extra five minutes to break the tie. Sanford tallied three points in that period to win 25 to 22.

The games yesterday afternoon and last night attracted large crowds but the finals this evening are expected to be attended by even greater numbers. Considerable interest has been manifested locally in view of the sensational play of the Sanford team, which is groomed to defeat the Yellowjackets in the title match tonight.

The tournament was pronounced a tremendous success by officials in charge. It attracted considerable interest here and

Sanford this afternoon entered the finals of the district basketball tournament when the Seminole High School quintet defeated Groveland 24 to 13 and earned the right to meet Leesburg tonight in a battle for the district championship. The winner will represent the fourth district in the state tournament to be held soon at Gainesville.

Leesburg reached the finals by a decisive defeat of Daytona Beach, turning back the east coast quintet this afternoon to the tune of 18 to 8. The championship game is scheduled for 9 o'clock and will be preceded at 8 o'clock by a consolation game between Groveland and Daytona Beach.

In winning this afternoon, the local quintet continued its triumphant march with a dazzling offensive which its opponents were rarely able to solve. The defensive game of the Seminole basketballers was also commendable. Higgins and Maxwell were the shining lights in the scoring, each contributing some fine shots.

The locals' two field goals were the result of beautiful shots, one from the middle of the court by Maxwell in the first minute of play and the other by Stanley from Leesburg's territory in the final minutes of the play.

large crowds attended each session of the two-day meet.

Although defeated by Leesburg for the district championship, the basketball team of Seminole High School will go to the state tournament with the Yellowjackets as representatives of this section, according to local athletic authorities. Announcement to this effect was made Saturday night preceding the district finals at the auditorium.

**THIRTEEN QUINTETS
TO PARTICIPATE IN

By virtue of its victory over Sanford, the Leesburg team won the silver loving cup offered by the Sanford Kiwanis Club, and the local team as runner-up was presented a similar trophy offered by the Florida Power and Light Company. DeLand won the consolation award given by Henry McLaulin.

There will be three sessions each day for the two days of the meet. On Friday morning there will be three games, four in the afternoon and three at night. On Saturday there will be two games in each of the three sessions.

The following high schools are participating:

Ocoee, Monteverde, DeLand, Orlando, Seminole, New Smyrna, Mt. Dora, Leesburg, Groveland, Eustis, Daytona Beach, Bunnell and Winter Park.

PRIZE WINNERS

THE various awards offered annually in Seminole High School, and the winners of each for the past several years are as follows:

The Daughters of the American Revolution offer a prize of fifteen dollars for the best essay written by a member of the Senior Class. The subject, which is always patriotic, is selected by the donors.—*Georgia Mobley, Fannie Belle Priest, Elizabeth Brown, Arthur Zachary.*

The D. A. R. offers also a silver cup to the senior who makes the highest average in United States History and Civics.—*Zillah Welsh, Charlotte Smith, Lorraine Phillips, Georgia Mobley, Walter Barber, Elizabeth Shoemaker.*

The Thrasher Prize of sixty dollars in gold was established in 1922 by Colonel A. M. Thrasher and perpetuated after his death by his widow. It is divided between the boy and the girl making the highest average in the Senior Class.—*Zillah Welsh, Charlotte Smith, Kathryn Lawton, Maude Carroway, Elizabeth Shoemaker, John Entzminger.*

Dr. E. D. Mobley awards a medal to the pupil making the highest scholastic average in the entire school. No student is eligible to receive this medal two years in succession.—*Charlotte Smith, Lorraine Phillips, Nina Mae Cook, Elizabeth Shoemaker, H. C. Waters, Pearl Robson.*

The Colonial Daughters of America give a medal for a patriotic essay.—*Georgia Mobley, Florence Flowers, James Sands, Oke Nordgren, Frane Thomas, Reba Jones.*

The music Department of the Woman's Club conducted a Musical Contest in our school during National Music Week of last year.—*Virginia Barber was the winner of this contest.*

5. PAT MILLER

Milton Robbins—"Did you take a bath today?"
Bob Reitz—"No, is one missing?"

+ + +

Miss Howard—(in physis) "How many natural magnets are there?"
Stanley Peckham—"Two"
Miss Howard—"Name them please."
Stanley Peckham—"Blonde and Brunette."

+ + +

Miss Speights (in zoology) "The answer is on page 114."
George Oviatt—"That's funny I couldn't find it there when we had the test."

+ + +

Miss Scott (Reading in Spanish) Are her eyes blue or black?
Fred Stanley: Whose?

+ + +

(This instance happened on the Senior boat trip)
Captain of Sinking Ship: Is there anyone on board who can pray?
Parson On Board: Why, yes Sir, I can.
Captain: Well you pray and the rest of us will use life preservers, we are one short.

+ + +

Mills Lord: Welcome, why don't you get a hair cut?
Welcome Kelly: I can't—I haven't but fifteen cents.
Mills: Well have fifteen cents worth cut off. It will help some.

+ + +

Roscoe: Where is the funny paper?
George Stoinoff: Funny paper! Today ain't Sunday. I told you not to take that bath last night.

+ + +

Jack Hall—Doctor, why does so small a cavity feel so large to the tongue?
Dentist—Just the natural tendency of your tongue to exaggerate, I suppose.

+ + +

Miss Scott—How old would a person be who was born in 1898?
H. C. Waters—Man or woman?

+ + +

Edward Mitchell—So you went fishing with Henry yesterday. What did you catch?
Frank DuBose—Ask Henry. I've forgotten the number we agreed on.

+ + +

Jesse Neeley—What's the smell in the Study Hall?
Robert Mason—It's the dead silence they keep there.

+ + +

Jack Peters—"Will your people be surprised when you graduate?"
Robert Moye—"No, they've been expecting it for several years."

+ + +

Mr. Cooper (In Agriculture Class)—"Do you know that they grafted a potato with a tomato?"
Bob Yancey—"No, Sir, But have you heard the result of grafting a banana plant on a rubber tree?"
Mr. Cooper—"No, what was it?"
Bob—"Non-skid banana peeling."
